MassDOT Advisory: Lowell/Tewksbury

Andover Street (Route 133) and River Road

Paving Work Sunday October 22nd from 7PM to 6 AM

Lowell/Tewksbury – The Massachusetts Department of Transportation (MassDOT) is announcing traffic restrictions on Andover Street (Route 133) from Danclause Road in Lowell to Sandpiper Lane in Tewksbury on Sunday Night, October 22, 2023 beginning at 7 PM and concluding at 6 AM on Monday, October 23. This will allow for the completion of paving activities, with minimal disruption to motorists.

Temporary traffic control devices will be in place and Police Details will be present for the duration of the work. Temporary detours will be posted for the closure of River Road to complete paving operations. River Road will be closed from Andover Street to Trull Road with local traffic permitted.

Traffic traveling on River Road approaching Andover Street

- Right at Trull Road and then rejoin Andover Street.

Traffic travelling on Andover St

- Left onto Trull Road and then rejoin River Road.

This work is part of a \$3.4 Million Intersection improvement project including signal work on Andover Street and River Road. Work on this project is anticipated to be completed by Early December 2023.

Those traveling through the area should expect delays, reduce speed and use caution. Appropriate signage and messaging will be in place.

For more information on traffic conditions, travelers are also encouraged to:

- Dial 511 and select a route to hear real-time conditions.
- Visit www.mass511.com, a website which provides real-time traffic and incident advisory information and allows users to subscribe to text and email alerts for traffic conditions.
- Follow MassDOT on X (formerly known as Twitter) @MassDOT to receive regular updates on road and traffic conditions.
- Download MassDOT's GoTime mobile app and view real-time traffic conditions before setting out on the road.
